

## **EVERTEC ANNOUNCES AVAILABILITY OF ITS 2017 SCHOLARSHIP PROGRAM**

SAN JUAN, PUERTO RICO – May 31, 2017 – In order to contribute to Puerto Rico's development and growth, Evertec announced today that its Scholarship Program is now available. The scholarships for the academic year 2017-2018 are for students who demonstrate academic excellence.

This is the third consecutive year in which the technology company offers the Scholarship Program. In 2015 and 2016 the company awarded 72 scholarships worth over \$125,000.

Through the Scholarship Program, Evertec has helped students majoring in computer engineering, information systems, cyber security and technology, among other studies. The Program is designed to support people within the general community and for the children of employees. The program is funded by donations from members of the Executive Management and the Board of Directors of Evertec. The donations are combined with matching funds from the Company.

Last year, Evertec granted 41 scholarships and this year expects to grant over 50 scholarships. Applicants must have been accepted at a college or an accredited University for four years during the academic year of 2017-2018 and the criteria includes: academic record, financial need, participation in community activities, among others. If selected, the awardee may be eligible to receive a \$1,000 scholarship.
